WHY YOUTH SHOULD BE ACTIVE

LASTING BENEFITS

A stylized illustration of a person sitting at a desk, viewed from behind, looking at a large computer monitor. The person is wearing a green long-sleeved shirt and dark pants. The monitor displays a white background with various icons like a plus sign, minus sign, dollar sign, and bar chart. A network of white lines connects the central monitor to several floating rectangular panels, each representing a different digital service or application. These panels include: a shopping cart with 'Buy' and 'Sale' buttons; a bar chart with upward arrows; a red envelope icon; a video player with a play button; a television set; a magnifying glass over a document; a lightbulb; speech bubbles; a calendar; a paint palette; and a gear with a checkmark. The entire scene is set against a solid blue background, symbolizing the interconnectedness of modern digital life.
